PSALM 147:1–11 **147A**

4. [6]The LORD upholds the meek and brings
The wicked to the ground.
[7]With thanks, O praise the LORD our God;
With harps His praises sound;

5. [8]Who covereth the heav'ns with clouds,
Who for the earth below
Prepareth rain, Who maketh grass
Upon the mountains grow.

6. [9]He cares for beasts that roam the field
And doth their food supply;
He watches o'er the ravens young
And feeds them when they cry.

7. [10]In strength of horse or speed of man
The LORD takes no delight;
[11]But those that fear and trust His love
Are pleasing in His sight.
