35C PSALM 35:11–18

MENDON. L.M.

13. 16 As godless jesters at a feast
They with their teeth have gnashed at me.
17 How long, O Lord, wilt Thou look on?
Wilt Thou unheeding all this see?

14. From their destructions pluck my soul,
And snatch my life from lions strong.
18 Then with the saints I'll give Thee thanks.
And praise Thee in the mighty throng.
