

4. 4 Have men that evil work
No knowledge gained at all,
Who eat my people as their bread,
And on God do not call?

5. 5 Great terror on them came,
And they were much dismayed,
Although there was no cause why they
Should be at all afraid.

6. His bones who thee besieged
God hath dispersed abroad;
Thou hast them put to shame, because
They were despised of God.

7. 6 Let Isr'el's help arise
From Zion! God will bring
His captives! Jacob shall rejoice,
And Israel shall sing.
